

# Introducing ConverStations

A presentation format supporting  
interaction

# This is ConverStations

- ConverStations take place around tables, each with a limited number of seats.
- This provides a more intimate setting, thus supporting interaction.
- Each ConverStation is presented 3 times during this session: (1) 9:30, (2) 10:00 and (3)10:30.
- Presenters stay at their table, participants change tables.
- Each ConverStation lasts 25 minutes, of which 10 minutes is for presentation and 15 minutes for discussion.

Select the three ConverStations you  
want to attend

- You can attend three (3) ConverStations.
- You need to get a ticket for each of the three ConverStations you will attend. These cannot be "booked" in advance. Tickets will be available from 8:00 am June 11 during registration.
- Each ticket is valid for one specific ConverStation, at one specific time slot.
- At each time slot (9:30, 10:00, 10:30) there will be around 25 ConverStations in parallel.

- To facilitate the selection process we encourage you to browse through the papers before the conference. The proceedings will be available online from June 1<sup>st</sup>.
- Seats are limited, so tickets to a specific ConverStation might be "sold out". Thus we recommend you to identify more than 3 ConverStations of interest, and make up a flexible plan for what presentations to attend.
- If you are a presenter, remember to consider the ConverStations format when preparing your presentation. To show pictures, graphs etc. you need to bring a laptop or printed material.
