Discussion Charter and Guidelines

Charter and Guidelines

- Governance is important
- enhance processual aspects:
 - designing
 - learning
 - transforming
- Motivation:
 - knowledge sharing platform (ISCN Network)
 - Awards-programm
- Next steps:
 - Best practice
 - further development with universities of all continents

Zurich, 24/04/2008 Intep - Integrale Planung GmbH

Folie 7 ISCN - Sustainable Campus Design Guidelines

Next steps

- Implement results and remarks from discussion of all Working Groups in the Charter draft
- Define who will participate at a further development of the charter
- Present a draft at the conference 2009 ‚ready for signature‘

Zurich, 24/04/2008 Intep - Integrale Planung GmbH
