

جامعة حمد بن خليفة

HAMAD BIN KHALIFA UNIVERSITY

# Hamad bin Khalifa University in Education City

Member of the Qatar Foundation

- Campus to support the QNV2030 (1)
- Chaired by Hr.H. Sheikha Mozah (Queen)
- Funded by government (no loans)
- Host of UNFCCC – COP18 in 2012
- Campus is meant for capacity building
- *“Oil economy to Knowledge-based economy”*
- Model not unique to region (Masdar, KAUST)

- Building knowledge base for country
- Seeking to share resources, same location
- LEED Projects as standard -> changes to country
- Connection with local K-12 schools
- Encouraging regional partnerships
- Aligned to country's national vision

- Campus does not pay for electricity/water, fuel is USD 0.5 cents per gallon
- No set reduction target (use the QNV 2030)
- “Flexible bottom-line” an opportunity/challenge
- Need to adapt and use different leverages
- Lack of interest from locals to take on jobs
